

## Bank-direct Merchant Accounts with complete payment processing services

Merchants, accept all major credit cards and bank ATM debit cards at the lowest possible cost with one of our bank-direct Merchant Accounts. We'll design a system custom-tailored to your business needs, using our state-of-the-art technology and affiliation with First Data Corporation, the world's leader in payment processing. Great service, low cost and the latest wireless technology and equipment!

### Who we are.

Aliant Payment Systems is an international merchant services company based in Ft. Lauderdale, Florida. We are a registered ISO/MSP of First Data Corporation, the world's leader in payment processing and the largest credit card acquirer in the world.

### What we do.

We handle Merchant Accounts of businesses based in the United States, the Caribbean and Europe. Our specially trained staff will help you set up your new Merchant Account and guide you in designing the credit card processing system that's perfect for you.

### What we offer.

Our management staff has 31 years cumulative experience in account set up, customer service and development. We draw on this experience to custom tailor your credit card processing system to your business needs. Give us a call. You'll be pleasantly surprised to learn how much we value your trust in us, and how seriously we take our commitment to you.

### Give us a call.

**Your complete satisfaction is guaranteed!**

## AT ALIANT PAYMENT SYSTEMS WE PROMISE YOU:

The Lowest Rates! No application fee! Technical support!  
Availability of the latest processing equipment!

### Major Credit Card Processing

Merchants who have accounts with us enjoy secure, quick and easy processing of all major credit card payments, with next day funding on all major credit card transactions such as Visa, Master's Card and American Express. Including:

### Debit Card Processing

Your customers' funds are withdrawn directly from their banks and deposited into yours, with 100% guaranteed funds at a reduced processing rate of up to 65%.

### Check Guarantee

Permits you to convert your customers' paper checks into electronic payments at Point-of-Sale. The funds are deposited directly into your Merchant Account within 2 business days.

### Remote Deposit Capture

Make deposits electronically by sending your financial institution digital information from deposit documents in your possession.

### ATM Machines

Offer convenience to your customers with instant withdrawals from their bank accounts.

### ACH Processing

We act as an Automatic Clearing House for the processing of electronic payments, direct deposits, certain transfers and debit card payments. We also handle business-to-business payments and certain local, state and federal tax transactions.

### Gift Card Production and Processing

Gift Cards help increase business, get repeat sales, help you track customer habits, build customer loyalty and improve your Customer Service. No merchant can afford to be without them. Ask us how to use them to your best advantage.

### Internet Solutions

We provide a secure internet processing gateway for all types of businesses-web, retail, mail order/telephone order or mobile. Ask us about our Virtual Terminal with Simple and Advanced Integration Methods.

### Flexible Merchant Account Solutions for High Risk Processing

With no geographical restrictions.

### POS Systems, Software and Hardware

Including but not limited to Verifone(R), Omni, Nurit, 9100 ATM Machines and Optimum. All our hardware and software applications are PCI and PED compliant.
